Pursuant to RCW 36.01.010 and RCW 36.32.120 the legislative authority of each county is authorized to enter into contracts on behalf of the County and have the care of County property and management of County funds and business. 3. Lease Payments: Current Expense You will pay us the lease payments, including the final lease payment set forth above (collectively, the "Lease Payments"). Lease Payments will be paid by you to us as follows: a first payment of $33,625.28 will be paid in advance and the balance of the Lease Payments is payable in 5 successive annual payments of which the first 4 payments are in the amount of $33,625.28 each, and the last payment is in the amount of $185,000.00 plus all other amounts then owing under this Lease, with the first Lease Payment due on the date that we sign this Lease and subsequent Lease Payments due on a like date of each year thereafter until paid in full. A portion of each Lease Payment constitutes interest and the balance of each Lease Payment is payment of principal. The Lease Payments will be due without demand. You will pay the Lease Payments to us at Caterpillar Financial Services Corporation, P.O. Box 100647, Pasadena, CA 91199-9947 or such other location that we designate in writing. Your obligations, including your obligation to pay the Lease Payments due in any fiscal year, will constitute a current expense of yours for such fiscal year and will not constitute an indebtedness of yours within the meaning of the constitution and laws of the State in which you are located (the "State"). Nothing in this Agreement will constitute a pledge by you of any taxes or other moneys, other than moneys lawfully appropriated from time to time for the payment of the "Payments" (as defined in the last sentence of this Section) owing under this Agreement. You agree that, except as provided in Section 7, your duties and liabilities under this Agreement and any associated documents are absolute and unconditional. Your payment and performance obligations are not subject to cancelation, reduction, or setoff for any reason. You agree to settle all claims, defenses, setoffs, counterclaims and other disputes you may have with the Supplier, the manufacturer of the Unit, or any other third party directly with the Supplier, the manufacturer or the third party, as the case may be. You will not assert, allege or make any such claim, defense, setoff, counterclaim or other dispute against us or with respect to the payments due us under this Agreement. As used in this Agreement, "Payments" will mean the Lease Payments and any other amounts required to be paid by you.

The portion of the Lease Payments constituting principal will bear interest (computed on the basis of actual days elapsed in a 360 day year) at the rate of 3.85% per annum.

4. Late Charges If we do not receive a Payment on the date it is due, you will pay to us, on demand, a late payment charge equal to the lesser of five percent (5%) of such Payment or the highest charge allowed by law.

5. Security Interest To secure your obligations under this Agreement, you grant us a continuing first priority security interest in each Unit (including any Additional Collateral), including all attachments, accessories and optional features (whether or not installed on such Units) and all substitutions, replacements, additions, and accessories, and the proceeds of all the foregoing, including, but not limited to, proceeds in the form of chattel paper. You authorize the filing of such financing statements and will, at your expense, do any act and execute, acknowledge, deliver, file, register and record any document, which we deem desirable to protect our security interest in each Unit and our rights and benefits under this Agreement. You, at your expense, will protect and defend our security interest in the Units and will keep the Units free and clear of any and all claims, liens, encumbrances and legal processes however and whenever arising.

6. Disclaimer of Warranties WE HAVE NOT MADE AND DO NOT MAKE ANY WARRANTY, REPRESENTATION OR COVENANT OF ANY KIND, EXPRESS OR IMPLIED, AS TO THE UNITS. AS TO US, YOUR LEASE AND PURCHASE OF THE UNITS WILL BE ON AN "AS IS" AND "WHERE IS" BASIS AND "WITH ALL FAULTS". Nothing in this Agreement is intended to limit, waive, abridge or otherwise modify any rights, claims, or causes of action that you may have against any person or entity other than us.

7. Non-Appropriation You have an immediate need for, and expect to make immediate use of, the Units. This need is not temporary or expected to diminish during the term of this Agreement. To that end, you agree, to the extent permitted by law, to include in your budget for the current and each successive fiscal year during the term of this Agreement, a sufficient amount to permit you to discharge your obligations under this Agreement. Notwithstanding any provision of this Agreement to the contrary, we and you agree that, in the event that prior to the commencement of any of your fiscal years you do not have sufficient funds appropriated to make the Payments due under this Agreement for such fiscal year, you will have the option of terminating this Agreement as of the date of the commencement of such fiscal year by giving us sixty (60) days prior written notice of your intent to terminate. No later than the last day of the last fiscal year for which appropriations were made for the Payments (the "Return Date"), you will.
return to us all of the Units, at your sole expense, in accordance with Section 14, and this Agreement will terminate on the Return Date without penalty or expense to you and you will not be obligated to pay the Lease Payments beyond such fiscal year, provided, that you will pay all Payments for which moneys have been appropriated or are otherwise available; and provided further, that you will pay month-to-month rent at the rate set by us for each month or part of any month that you fail to return the Units.

8. Tax Warranty You will, at all times, do and perform all acts and things necessary and within your control to ensure that the interest component of the Lease Payments will, for the purposes of Federal income tax, be excluded from our gross income. You will not permit or cause your obligations under this Agreement to be guaranteed by the Federal Government unless on terms similar to those of the Loan Guarantee. You will use the Units for the purpose of performing one or more of your governmental functions consistent with the scope of your authority and not in any trade or business carried on by a person other than you. You will report payments to the Internal Revenue Service by filing Form 8936, 8638, or 8938, as applicable. Failure to do so will cause this Agreement to lose its tax exempt status. You agree that if the appropriate form is not filed, the interest rate payable under this Agreement will be raised to the equivalent taxable interest rate. If the use, possession or acquisition of the Units is determined to be subject to taxation, you will pay all due taxes and governmental charges assessed or levied against or with respect to the Units.

9. Assignment You may not, without our prior written consent, by operation of law or otherwise, assign, transfer, pledge, hypothecate or otherwise dispose of your right, title and interest in this Agreement and the Units and/or grant or assign a security interest in this Agreement and the Units, in whole or in part. We may not transfer, sell, assign, pledge, hypothecate, or otherwise dispose of our right, title and interest in this Agreement and the Units and/or grant or assign a security interest in this Agreement and the Units, in whole or in part.

10. Indemnity To the extent permitted by law, you assume liability for, agree to and do indemnify, protect and hold harmless us and our employees, officers, directors and agents from and against any and all liabilities, obligations, losses, damages, injuries, claims, demands, penalties, actions, costs and expenses, including reasonable attorney fees, of whatsoever kind and nature, arising out of the use, condition (including, but not limited to, latent and other defects and whether or not discoverable by you or us), operation, ownership, sale, transfer, delivery, storage, leasing or return of any item of Units, regardless to you or us, if not already operated, or any failure on your part to accept the Units or otherwise to perform or comply with any conditions of this Agreement.

11. Insurance; Loss and Damage You bear the entire risk of loss, theft, destruction or damage to the Units from any cause whatsoever. No loss, theft, destruction or damage of the Units will relieve you of the obligation to make Lease Payments or to perform any obligation owing under this Agreement. You agree to keep the Units insured to protect all of our interests, at your expense, for such risks, in such amounts, in such forms and with such companies as we may require, including but not limited to fire and extended coverage insurance, explosion and collision coverage, and personal liability and property damage liability insurance. Any insurance policies relating to loss or damage to the Units will name us as loss payee as our interests may appear and the proceeds may be applied toward the replacement or repair of the Units or the satisfaction of the Payments due under this Agreement. You agree to use, operate and maintain the Units in accordance with all laws, regulations and ordinances and in accordance with the provisions of any policies of insurance covering the Units, and will not rent the Units or permit the Units to be used by anyone other than you. You agree to keep the Units in good repair, working order and condition and house the Units in suitable shelter, and to permit us or our assigns to inspect the Units at any time and to otherwise protect our interests in the Units. If any Unit is customarily covered by a maintenance agreement, you will furnish us with a maintenance agreement by a party acceptable to us.

12. Default; Remedies An "Event of Default" will occur if (a) you fail to pay any Payment when due and such failure continues for ten (10) days after the due date for such Payment or (b) you fail to perform or observe any other covenant, condition, or agreement to be performed or observed by you under this Agreement and such failure is not cured within twenty (20) days after written notice of such failure from us. Upon an Event of Default, we will have all rights and remedies available under applicable law. In addition, we may declare all Leased Payments due or to become due during the fiscal year in which the Event of Default occurs to be immediately due and payable by you and/or we may repossess the Units by giving you written notice to deliver the Units to us in the manner provided in Section 14, or in the event you fail to do so within ten (10) days after receipt of such notice, and subject to all applicable laws, we may enter upon your premises and take possession of the Units. Further, if we financed your obligations under any extended warranty agreement such as an Equipment Protection Plan, Extended Service Contract, Extended Warranty, Customer Service Agreement, Total Maintenance and Repair Agreement or similar agreement, we may cancel such extended warranty agreement on your behalf and receive the refund of the extended warranty agreement fees that we financed but had not received from you as of the date of the Event of Default.

13. Miscellaneous This Agreement may not be modified, amended, altered or changed except by a written agreement signed by you and us. In the event any provision of this Agreement is found invalid or unenforceable, the remaining provisions will remain in full force and effect. This Agreement, together with exhibits, constitutes the entire agreement between you and us and supersedes all prior and contemporaneous writings, understandings, agreements, solicitations, documents and representations, expressed or implied. Any terms and conditions of any purchase order or other documents submitted by you in connection with this Agreement which are in addition to or inconsistent with the terms and conditions of this Agreement will not be binding on us and will not apply to this Agreement. You agree that we may correct patent errors in this Agreement and fill in blanks including, for example, correcting or filling in serial numbers, VIN numbers, and dates. Any notices required to be given under this Agreement will be given to the parties in writing and by certified mail at the address provided in this Agreement, or to such other addresses as each party may substitute by notice to the other, which notice will be effective upon its receipt.

14. Title; Return of Units Notwithstanding our designation as "Lessor", we do not own the Units. Title to the Units will be in you so long as an Event of Default has not occurred and you have not exercised your rights of non-appropriation. If an Event of Default occurs or if you are non-appropriated, full and unencumbered title to the Units will pass to us without the necessity of further action by the parties, and you will have no further interest in the Units. If we are entitled to obtain possession of any Units or if you are obligated at any time to return any Units, then (a) title to the Units will vest in us immediately, and (b) you will, at your expense, promptly deliver the Units to us properly protected and in the condition required by Section 11. You will deliver the Unit, at our option, (i) to the nearest CATERPILLAR dealer selling equipment of the same type as the Unit or (ii) on board a carrier named by us and shipping the Unit, freight collect, to a destination designated by us. If the Unit is not in the condition required by Section 11, you must pay us, on demand, all costs and expenses incurred by us to bring the Unit into the required condition. Until the Units are returned as required above, all terms of this Agreement will remain in full force and effect including, without limitation, your obligation to pay Lease Payments and to insure the Units.

15. Other Documents In connection with the execution of this Agreement, you will cause to be delivered to us (i) either (A) a certified copy of your authorizing resolution substantially in the form attached as Attachment B and a copy of the minutes of the relevant meeting or (B) an opinion of your counsel substantially in the form attached as Attachment C; (ii) a Verification of Insurance substantially in the form attached to this Agreement; (iii) a copy of the signed Form filed with the Internal Revenue Service required in Section 8 above as Attachment D; and (v) any other documents or items required by us.

16. Applicable Law This Agreement will be governed by the laws, excluding the laws relating to the choice of law, of the State in which you are located.

Opinion of Counsel

Re: Governmental Equipment Lease-Purchase Agreement (Transaction Number 3760482) (the "Lease")
Between FRANKLIN COUNTY PUBLIC WORKS DEPARTMENT ("Lessee") and Caterpillar Financial Services Corporation ("Lessor")

Sir/Madam:

I am an attorney for Lessee, and in that capacity I am familiar with the above-referenced transaction, the Lease, and all other documents pertaining to the Lease (the Lease and such other documents pertaining to the Lease being referred to as the "Lease Agreements").

Based on my examination of these and such other documents, records and papers and matters of fact and laws as I deemed to be relevant and necessary as the basis for my opinion set forth below, upon which opinion Lessee and any subsequent assignee of Lessee's interest may rely, it is my opinion that:

1. Lessee is a fully constituted political subdivision or agency duly organized and existing under the Constitution and laws of the State of Washington (the "State"), and is authorized by such Constitution and laws (i) to enter into the transaction contemplated by the Lease Agreements and (ii) to carry out its obligations thereunder.

2. The Lease Agreements (i) have been duly authorized, executed and delivered by Lessee and (ii) constitute valid, legal and binding obligations and agreements of Lessee, enforceable against Lessee in accordance with their terms, assuming due authorization and execution thereof by Lessee.

3. No further approval, license, consent, authorization or withholding of objections is required from any federal, state or local governmental authority with respect to the entering into or performance by Lessee of the Lease Agreements and the transactions contemplated by the Lease Agreements.

4. Lessee has sufficient appropriations or other funds available to pay all amounts due under the Lease Agreements for the current fiscal year.

5. The interest payable to Lessor by Lessee under the Lease Agreements is exempt from federal income taxation pursuant to Section 103 of the Internal Revenue Code of 1986, as amended.

6. The entering into and performance of the Lease Agreements will not (i) conflict with, or constitute a breach or violation of, any judgment, consent decree, order, law, regulation, bond, indenture or lease applicable to Lessee, or (ii) result in any breach of, or constitute a default under, or result in the creation of, any lien, charge, security interest or other encumbrance upon any assets of Lessee or the Units (as defined in the Lease) pursuant to any indenture, mortgage, deed of trust, bank loan, credit agreement or other instrument to which Lessee is a party, or by which it or its assets may be bound.

7. No litigation or proceeding is pending or, to the best of my knowledge, threatened to, or which may, (a) restrain or enjoin the execution, delivery or performance by Lessee of the Lease Agreements, (b) in any way contest the validity of the Lease Agreements, (c) contest or question (i) the creation or existence of Lessee or its governing body or (ii) the authority or ability of Lessee to execute or deliver the Lease Agreements or to comply with or perform its obligations under the Lease Agreements. There is no litigation or proceeding pending or, to the best of my knowledge, threatened that seeks to or could restrain or enjoin Lessee from annually appropriating sufficient funds to pay the Lease Payments (as defined in the Lease) or other amounts contemplated by the Lease Agreements. In addition, I am not aware of any facts or circumstances which would give rise to any litigation or proceeding described in this paragraph.

8. The Units are personal property and, when subjected to use by Lessee, will not be or become fixtures under the laws of the State.

9. The authorization, approval and execution of the Lease Agreements, and all other proceedings related to the transactions contemplated by the Lease Agreements, have been performed in accordance with all applicable open meeting, public records, public bidding and all other applicable laws, rules and regulations of the State.

10. The appropriation of moneys to pay the Lease Payments coming due under the Lease and any other amounts contemplated by the Lease Agreements does not and will not result in the violation of any constitutional, statutory or other limitation relating to the manner, form or amount of indebtedness which may be incurred by Lessee.

11. The Lessor will have a perfected security interest in the Units upon the filing of an executed UCC-1 or other financing statement at the time of acceptance of the Units with the Secretary of State for the State.
