**SUBJECT:** Interlocal Agreement for provision of Project Management Services between Benton and Franklin Counties for Security System and Juvenile Justice Center

**FISCAL IMPACT:**

**BACKGROUND:** The replacement of the Security systems at the Juvenile Justice Center is of sufficient technical difficulty as to require the use of project management capabilities beyond the scope of the administrative staff of the facility. Because this is jointly operated facility with Benton County, it was determined through discussions between the County Administrators, that the Benton County Public Works department had sufficient technical expertise to manage this project without requiring the hiring of an outside project manager. Therefore, this ILA was developed to state the intention and cost allocation between the counties to manage this project.

**RECOMMENDATION:** Recommend the BOCC approve the ILA

**COORDINATION:**
Keith Johnson, County Administrator  
Benton County Administrator  
Matt Rasmussen, Benton County Public Works Director

JOINT RESOLUTION

FRANKLIN COUNTY RESOLUTION NO. ______________________

BENTON COUNTY RESOLUTION NO. ______________________

BEFORE THE BOARDS OF THE COMMISSIONERS OF FRANKLIN AND BENTON COUNTIES, WASHINGTON;

INTERLOCAL AGREEMENT FOR PROVISION OF PROJECT MANAGEMENT SERVICES BETWEEN COUNTY OF BENTON AND COUNTY OF FRANKLIN

THIS AGREEMENT is between Benton and Franklin Counties, political subdivisions of the State of Washington and is effective as of the date executed by both parties.

WHEREAS, RCW 39.34 authorizes local governmental units to enter into agreements with other public agencies to make efficient use of their powers on a basis of mutual advantage to provide services to the local community; and

WHEREAS, by Laws of 1951, Chapter 125, the Washington Legislature created the Benton Franklin Counties Superior Court (hereinafter “Superior Court”) whereby the judicial officers appointed or elected thereto serve in both counties at all times, whether they are located in Benton County, Franklin County or elsewhere; and

WHEREAS, RCW 13.04 created the Juvenile Court as a Division of the Superior Court and as such is shared in the same manner between both Counties; and

WHEREAS, the Juvenile Court is beginning an upgrade of its security systems and is in need of project management assistance. Benton County possesses the staff and ability in its capital program management to provide this assistance.

NOW, THEREFORE, in consideration of the mutual benefits of this agreement, the parties agree as follows effective the date of the last signature on this agreement:

1. It is agreed upon between the Counties that Superior Court judicial officers and court administration staff shall be able to utilize the Benton County Capital Programs and Facilities staff as set forth in Exhibit A, pursuant to the terms of this agreement.

2. Franklin County shall reimburse Benton County for its services provided and at the rates established in Exhibit B, Cost of Services. This is an agreement for services only and no real or personal property will be acquired pursuant to this agreement.

4. Benton County will use its best efforts to bill Franklin County by the 10th (tenth) of the month following the month in which reimbursable services were provided. Franklin County will reimburse Benton County within thirty (30) days of billing for service. A delay in billing by Benton County does not relieve Franklin County of the obligation to pay within thirty (30) days of actual billing.

5. This agreement will be administered by the Public Works Administrator for Benton County and the County Administrator for Franklin County.
6. This agreement may be terminated, in-writing, by either party. Termination shall not be effective until ninety (90) days from mailing or personal delivery of the notice of termination.

7. Venue for any legal action regarding this agreement shall be in Yakima County, Washington. If any term or provision of this agreement is in whole or part, held invalid or unenforceable by any court of competent jurisdiction, the remainder of this agreement shall continue in full force and effect.

8. Franklin County shall defend, indemnify and hold harmless Benton County, its officials, agents and employees from and against any and all claims, losses, damages, judgments, or liabilities of whatever nature, including attorney fees, made by or on behalf of any person or entity arising from the provision of project management services by Benton County to Superior Court pursuant to Exhibit A; provided, Franklin County’s obligations hereunder shall not extend to claims, losses, damages, judgments or liabilities caused by or arising out of grossly negligent actions or omissions or willful misconduct by Benton County or its employees or agents.

9. This agreement constitutes the entire agreement of the parties and may only be amended in writing by mutual agreement of the parties.

10. This agreement shall be effective the date of the last signature below through December 31, 2021 upon the duly authorized signatures of the parties' representatives.

11. Each County shall file this agreement with their respective Auditor’s Office upon its execution.
