

# FRANKLIN COUNTY

## PUBLIC WORKS DEPARTMENT

Tim Fife, P.E., Public Works Director/County Engineer  
Guy Walters, Assistant Public Works Director

### RIGHT-OF-WAY CERTIFICATE #1

TO: Roger Arms, P.E. /WSDOT Local Programs SCR  
Regional Highway and Local Programs Engineer

Date: January 7, 2010

RE: Federal Aid No.: STPR-F111(001)  
Project Title: CRP 500/East Foster Wells Road Extension Phase 2  
Local Agency: Franklin County Public Works

Dear Sir:

As per title 23 CFR, Part 635, Section 309, Para (c), right of way has been acquired in accordance with current FHWA Directives covering the acquisition of real property and the following applies:

I hereby certify that all necessary rights of way, including control of access rights (when pertinent), have been acquired including legal and physical possession.

AND

All occupants have vacated the lands and improvements and the agency has physical possession and the right to remove, salvage, or demolish these improvements and enter upon all lands.

AND

I further certify that there were no individuals or families displaced by the above cited project. Therefore, the provisions of current FHWA directives covering the relocation of displacees to DS&S housing and availability of adequate replacement housing are not applicable to this project.

Project Description: This project will involve extending the existing road for approximately two and a half miles and reconstructing a portion of the Pasco-Kahlotus Road at the new intersection. The new road alignment will include grading, hard surfacing East Foster Wells Road, installation of drainage facilities and other related work to construct the road to current standards.

Total parcels required for project: 6  
Parcel(s) with Relocation: 0  
Temporary Construction Permits: 2

Sincerely,

Tim Fife, P.E.  
Public Works Director/County Engineer  
Franklin County, Washington
