

**Franklin County Redistricting Plan**  
**2/03/2020**

Pursuant to R.C.W. 29.76.010 the Franklin County board of commissioners proposes the following changes to its plan to redistrict County Commissioner districts. The broad effort is being done to re-balance populations within commissioner districts based upon growth and population shifts within Franklin County since the last redistricting plan was enacted. The board of commissioners recognizes the need to ensure fairness in elections and compliance with the various federal and state laws governing voting rights. This current proposal reflects public comments and input received at the public hearing on January 28, 2020.

Accordingly, it is proposed that the following precincts within Franklin County be moved as follows:

<u>Precinct # and Current Commissioner District</u>	<u>Proposed Commissioner District</u>
007	Dist 2
012	Dist 2
014	Dist 1
047	Dist 1
058	Dist 1
068	Dist 1
070	Dist 1
073	Dist 1
105	Dist 1

All other precincts are proposed to remain in their existing commissioner districts.

A review of the plan will be held February 11, 2020 at 9:00 am in the Commissioner meeting room of the Franklin County Courthouse at which time it is anticipated the board will either make changes to or adopt this as the final plan. The public will have an opportunity to comment and make recommendations to the commissioners regarding this plan.
