AGREEMENT

NOW, THEREFORE, in consideration of the mutual agreements and undertakings herein contained, the Parties agree as follows:

1. **Priorities.** Regardless of the time each Party's interest in or lien on the Property was or shall be created or recorded, such interests and liens have and shall have the following priorities:

(a) **First Priority.** The Extended Use Agreement shall have first priority. The liens, rights and interests of the Lenders created under documents with a lesser priority as established in this Agreement are hereby made subordinate and subject to the rights and interests of Commission under the Extended Use Agreement. Subject to the terms of the Extended Use Agreement, the Extended Use Agreement shall survive foreclosure of any lien with a lesser priority as established in this Agreement and shall be binding upon any person that acquires the Property by means of such foreclosure or deed in lieu thereof or that is a successor to one who acquires the Property by such means, for so long as such person shall retain an interest in the Property.

(b) **Second Priority.** The State Covenant Agreement shall have second priority. The liens, rights and interests of the Parties created under documents with a lesser priority as established in this Agreement are hereby made subordinate and subject to the rights and interests of the Department under the State Covenant Agreement. Subject to the terms of the State Covenant Agreement, the State Covenant Agreement shall survive judicial or non-judicial foreclosure or deed in lieu thereof of any lien with a lesser priority as established in this Agreement and shall be binding upon any person that acquires the Property by means of such foreclosure or deed in lieu thereof or that is a successor to one who acquires the Property by such means, for so long as such person shall retain an interest in the Property.

(c) **Third Priority.** The Benton County DHS Covenant Agreement shall have third priority. The liens, rights and interests of the Parties created under documents with a lesser priority as established in this Agreement are hereby made subordinate and subject to the rights and interests of the Benton County DHS under the Benton County DHS Covenant Agreement. Subject to the terms of the Benton County DHS Covenant Agreement, the Benton County DHS Covenant Agreement shall survive judicial or non-judicial foreclosure or deed in lieu thereof of any lien with a lesser priority as established in this Agreement and shall be binding upon any person that acquires the Property by means of such foreclosure or deed in lieu thereof or that is a successor to one who acquires the Property by such means, for so long as such person shall retain an interest in the Property

(d) **Fourth Priority.** The Bank Deed of Trust shall be fourth in priority. The liens, rights and interests of the Lenders created under documents with a lesser priority as established in this Agreement are hereby made subordinate and subject to the lien, security interest, and all other rights granted to the Bank under the Bank Deed of Trust and other Bank Documents, including, without limitation, interest and all present and future advances made by the Bank thereunder, regardless of whether such advances are deemed to be mandatory or optional, and all subsequent amendments, modifications, extensions, renewals, and replacements of the Bank Documents.

(e) **Fifth Priority.** The State Deed of Trust shall be seventh in priority. The liens, rights and interests of the Parties created under documents with a lesser priority as established in this Agreement are hereby made subordinate and subject to the rights and interests of the Department under the State Deed of Trust.

(f) Sixth Priority. The Sponsor Deed of Trust shall be sixth in priority. The liens, rights and interests of the Parties created under documents with a lesser priority as established in this Agreement are hereby made subordinate and subject to the rights and interests of the Sponsor under the Sponsor Deed of Trust.

(g) Seventh Priority. The Commercial Lease shall be seventh in priority. The liens, rights and interests of the Parties created under documents with a lesser priority as established in this Agreement are hereby made subordinate and subject to the rights and interests of CHSEW under the Commercial Lease.

For purposes of this Section, the lien or interest with "lesser priority" is the one with the higher numerical designation, so that, for example, "fourth priority" is a "lesser priority" than "third priority."

Any right of CHSEW or any other party to acquire the Property or any part thereof pursuant to any option or right of first refusal, including the Option, in any of the Documents or otherwise, is hereby made subject and subordinate to each of the liens and interests described above in this Section.

The Parties agree that the Lenders do not have any obligation to each other to advance funds or to see to the application of their respective loan proceeds and that any application of such proceeds contrary to the terms of any loan documents shall not defeat the subordinations granted herein in whole or in part.

The Parties agree that except for such obligations as the Company may have to other Parties hereto pursuant to agreements with such Parties (i) the Parties do not have any obligations to each other to advance funds or to see to the application of their respective loan proceeds, (ii) any application of such proceeds contrary to the terms of any loan documents shall not defeat the subordinations granted herein in whole or in part, and (iii) nothing contained in this Agreement shall impair the right of any Party to pursue any right or remedy available to it in any of the agreements, covenants, regulatory agreements, deeds of trust or options referenced herein.

Notwithstanding any other provisions of this Agreement, the priorities established hereunder shall not apply to nor affect the security position of any security agreement or pledge of cash accounts or other property to which only one Party hereto has been granted a security interest.

2. Insurance or Condemnation Proceeds. Notwithstanding any provision of the Subordinate Loan Documents to the contrary, so long as amounts under the Bank Documents remain unpaid, in the event of any damage to, destruction of, or taking or condemnation (including deed in lieu thereof) of the Property or any portion thereof, the application of any insurance or condemnation proceeds shall be governed by the terms of the Bank Deed of Trust. Any funds to be applied to repair or restoration shall be held and administered by the Bank in accordance with the Bank Documents, and the Bank shall be entitled to reasonable compensation for its services in connection with the administration of such funds, as set forth in the Bank Deed of Trust, provided that, if applicable law does not permit a lender to hold such proceeds, then the Bank shall have the right to designate an insurance trustee to administer the proceeds consistent with the Bank Deed of Trust subject to applicable law. For so long as amounts under the Bank Documents remain unpaid, the Bank shall have all approval, consent, and oversight rights in connection with any insurance claims relating to the Property and any decisions regarding the use of insurance or condemnation proceeds after a casualty loss or condemnation notwithstanding any rights of Subordinate Lender pursuant to the Subordinate Loan Documents.

3. Subordinate Lenders' Agreement to Standstill. Each Subordinate Lender agrees for the benefit of Bank and its successors and assigns, that during any Blockage Period (as defined below) if a default occurs and is continuing under any of the Lender's respective documents, the other Lenders shall not, without the Bank's prior written consent, accelerate its respective loan, commence foreclosure proceedings with respect to the Property, collect rents, appoint (or seek the appointment of) a receiver,

replace (or seek the replacement of) Company's managing member or institute any other enforcement action with respect to the Property (excluding any action, not previously enumerated, for other than monetary relief including, but not limited to, specific performance, mandatory injunctive relief, or similar equitable remedy to compel compliance by Company, with the terms of the Extended Use Agreement, Regulatory Agreement, State Covenant, or Benton County DHS Covenant. As used herein, "Blockage Period" means a period of time beginning on the date a Blockage Notice is delivered to Lenders other than Bank and terminating on the earlier to occur of: (i) 120 days following such date; provided that if, prior to the expiration of such 120-day period, Bank has commenced a judicial proceeding or non-judicial actions to collect or enforce the Bank Loan, or foreclose on any collateral for the Bank Loan, or a case or proceeding by or against Borrower is commenced under the United States Bankruptcy Code or any other insolvency law, then such period shall be extended during the continuation of such proceedings and actions until the payment in cash in full of the Bank Loan; or (2) the written consent of Bank to such termination.

4. **Bank Cure Period.** So long as amounts under the Bank Documents remain unpaid, the Subordinate Lenders each agree for the benefit of the Bank and its successors and assigns, that if a default occurs and is continuing under the Subordinate Loan Documents, such Subordinate Lender shall deliver to the Bank written notice of such default concurrently with such party's delivery of notice thereof to the Company, and the Bank shall have the right, but not the obligation, to cure the noticed default by nine (9) calendar months (the "**Bank Cure Period**") after the later of (i) expiration of any notice and cure period afforded the Company for such default under the Subordinate Loan Documents, or (ii) the date that the Bank receives a copy of the notice of default. During the Bank Cure Period, Subordinate Lender shall not, without the Bank's prior written consent (which consent shall not be unreasonably withheld), accelerate the Subordinate Loan, commence foreclosure proceedings with respect to the Property, collect rents, appoint (or seek the appointment of) a receiver or institute any other enforcement action with respect to the Property.

5. **Reliance.** It is understood by the Parties hereto that the Bank would not make the Bank Loan and would not enter into, or make disbursement under, the Bank Loan Agreement without this Agreement.

6. **Actions by the Bank; Certain Waivers.** The Bank, without the consent of or notice to any other Party, may release any or all parties liable for any obligation secured by the Bank Documents, or release any or all security for the obligations secured by the Bank Documents, all without affecting the subordinations under this Agreement. CHSEW and the Company waive any right to require marshaling of assets or to require the Bank to proceed against or exhaust any specific security for the obligations secured by the Bank Documents, and waive any defense arising out of the loss or impairment of any right of subrogation to the lien of the Bank Documents. However, the Bank agrees not to voluntarily subordinate the lien of the Bank Deed of Trust or any portion thereof to any other liens or encumbrances on the Property without the written consent of CHSEW, which consent may consist of such Lender's subordination to the same lien or encumbrance.

7. **Rents.** Each Subordinate Lender understands that the Company has assigned all leases, income, rents, and profits of the Property in connection with the Bank Documents. The Parties agree that upon default under the Bank Documents, the Bank shall have the absolute right to collect all rents and profits from the Property as provided in the Bank Documents.

8. **Acknowledgements.** Each Subordinate Lender hereby agrees and acknowledges, solely for the benefit of the Bank, as follows:

(a) for purposes of this Agreement, it has been provided the opportunity to review the Bank Documents before executing this Agreement;

(b) the Bank, in making disbursements pursuant to the Bank Documents, is under

no obligation or duty to insure, nor has the Bank represented that it will insure, the proper application of such proceeds by the person(s) to whom the Bank disburses such proceeds, and any application or use of such proceeds for purposes other than as provided in any such agreement shall not defeat or render invalid, in whole or in part, the subordinations provided for in this Agreement;

(c) the Bank has not made any warranty or representation of any kind or nature whatsoever with respect to (i) the application of the proceeds of the Bank Loan upon the security of the Bank's Deed of Trust, (ii) the value of the Property or the improvements to be developed thereon pursuant to the Bank Documents, or the marketability or value thereof upon completion of such improvements, or (iii) the ability of the Company to honor its covenants and agreements with the Bank or other Parties;

(d) the Bank's release of any security for the Bank Loan, including, without limitation, the reconveyance of any portion(s) of the Project from the lien of the Bank Deed of Trust shall not constitute a waiver or relinquishment of the Subordinate Lender's unconditional subordination of the liens or charges of the Sponsor Deed of Trust against the Project to the lien or charge of the Bank Deed of Trust;

(e) notwithstanding the terms of any Subordinate Loan Document to the contrary, if the Bank or its designee (each, a "**Bank Party**") acquires the Property by foreclosure, deed-in-lieu of foreclosure or otherwise, then no Bank Party nor its respective successors or assigns nor the Property shall be subject to any liability for repayment or return of any Subordinate Loan funds or payment of other fees or costs;

(f) notwithstanding any terms to the contrary contained in the Subordinate Loan Documents, the transfer of the Property to any Bank Party pursuant to foreclosure or deed-in-lieu of foreclosure shall not require the prior written consent of Subordinate Lender or result in any liability of such Bank Party or its respective successors or assigns under the terms of the Sponsor Documents;

(g) the Bank would not make the Bank Loan absent the execution of this Agreement by the Parties hereto; and

(h) the Bank shall provide a copy to each other Lender of any notice of default issued to the Company pursuant to the Bank Documents, the completion of foreclosure pursuant to the Bank Deed of Trust or the acceptance of a deed in lieu of foreclosure, provided, however, that the failure of the Bank to provide any such notice shall not constitute a defense, waiver or limitation of any right or remedy of the Bank under the Bank Documents, nor shall it limit, release, waive or affect any duty, liability or obligation of the Company under the Bank Documents. Other than providing notice to each other Lender of any written default issued to the Company, the Bank has no duty or obligation under this Agreement to disclose any information to any party. The Company hereby consents to the disclosure to each Lender of any written default issued by the Bank in connection with the Bank Documents.

Each Party hereto has made such independent legal and factual inquiries and examinations as such Party deems necessary or desirable and are not relying on any inquiries or examinations made by the Bank or on information from the Bank concerning the Company, the Property or the Project.

9. Miscellaneous.

(a) Entire Agreement. This Agreement constitutes the entire agreement among the Parties with respect to the priority of each Party's liens and interests in the Property described herein and all prior understandings and agreements on that subject are superseded hereby.

(b) Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Washington.

(c) Notices. All notices to be given pursuant to this Agreement shall be in writing and shall be deemed given when hand-delivered within normal business hours, when actually received by facsimile transmission during normal business hours, or two (2) business days after deposit in the U.S. mail, postage prepaid, (one (1) business day if sent by overnight courier) to the Parties hereto at the addresses set forth below, or to such other place as a Party may from time to time designate by notice to the other Parties. No transferee or successor of a Party hereto shall be entitled to notices or opportunity to cure defaults hereunder unless notice of the transfer is given in accordance with this subsection.
